Fresh, fast and flavorful: salads at Greenz are towering creations that put other greenery concoctions to shame. Spicy Panko Shrimp Salad bests the other menu items by virtue of its height and spice. Skewers with four huge shrimp—panko-breaded and then fried—anchor a mountain of greens mixed with daikon and edamame sprouts, sprinkled with carrots and wasabi peas and dressed with spicy lemongrass vinaigrette, served in a giant clam shell made of fried wonton. Other choices, including Hawaiian Tuna, BBQ Texas Slaw, Grilled Chicken Riviera (with sliced chicken, greens and fresh fruit), “Bar None” (grilled flank steak, lettuce and nuts inside Greenz’s “signature” pretzel bowl), Chipotle Chicken and The Wedge, mean a different salad for each day of the week.
